Discover the Future of Innovation at Dales Manor Business Park

The newly and comprehensively refurbished unit P2 features a high-quality specification that meets the demands of modern business. Occupiers will benefit from refurbished ground and first floor offices with modern LED lighting and electric panel heaters throughout.

Unit P2 is situated in the same ownership as the nearby Accelerator Park, a dynamic hub for R&D, life sciences and production. This prime location boasts a vibrant blend of both global brands and local technology-based companies. The park has been designed to foster collaboration among like-minded businesses and individuals. Presently, our local occupiers include:

Telensa PULPEX.

Surrounded By Excellence

Dales Manor Business Park, just 7 miles south of Cambridge city center in Sawston, benefits from excellent road connections via the A505, providing access to major routes like the M11, A11, A1(M), and A14. Nearby, Great Shelford and Whittlesford Parkway villages offer convenient mainline rail connections to Cambridge/London Liverpool Street line. Frequent services from Cambridge City railway station connect to London's Kings Cross Station.
