Versatile space to make your own

Novus has undergone a comprehensive refurbishment to provide an opportunity for a variety of occupiers to establish their perfect space, including sustainable offices, R&D facilities, and laboratory space.

The first floor has been finished to CAT A condition and the ground floor to shell and core with the benefit of a double height warehouse to offer forward-thinking businesses the perfect blank canvas.

Waterbeach

Novus sits at the dawn of a vibrant and connected new community. Waterbeach New Town is being developed to deliver 6,500 new homes along with an array of shops, restaurants and leisure amenities nestled around a beautiful 23-acre lake.

New infrastructure will provide a sustainable travel hub with a purpose-built train station, extensive cycle and footpaths and bus routes. There will also be new schools, green spaces and health centres to bring together a vision for sociable and green living.

Cambridge is a world-class centre for knowledge intensive industries, universities and research institutes, attracting a revered calibre of talent and business.

The historic city offers a vibrant mix of culture, restaurants and retail as well as leisure amenities and an abundance of green spaces.

It also forms part of the Oxford-Cambridge Arc, a globally significant home to world-leading technology clusters.

Backed by a long term plan and government investment partnership, the Arc is home to 4 million people and 2 million jobs, generating over £111 billion of yearly economic output.

Cambridge connected.
